## 2011-2012 WISCONSIN HIGH SCHOOL FIGURE SKATING TEAM COMPETITION SERIES

### **Team Scoring:**

Teams will receive points for each event based on the number of teams competing with the first place team receiving the highest number of points and the last place team receiving one point. Points from each event at the regular season team competitions will be totaled to determine the placement of teams for Final awards.

### **Awards:**

Regular Season Team Events – First, Second and Third place medals will be awarded to the teams with the highest placement for each event for each level. Only skaters who participated in the event receive medals.

Final Team Awards – At the conclusion of the final regular season team event in Wausau, trophies will be awarded to the First, Second and Third place teams for each level based on the accumulated point total from the regular season events.

### **Rules & Eligibility**

1. The competition will be conducted in accordance with the rules as stated in the current US Figure Skating Rule 1040 under "Special Competitions." This announcement will take precedence if there is a conflict with the US Figure Skating Rulebook.
2. The team must be a US Figure Skating School Affiliated Club (SAC). The SAC application form can be downloaded from the US Figure Skating website at [usfigureskating.org/Programs.asp?id=67](http://usfigureskating.org/Programs.asp?id=67). The form should be completed and returned to US Figure Skating. Please submit a copy of the SAC application or SAC Certificate for proof of membership along with your application to competition chair.
3. A team will consist of at least three skaters from one high school or a unified team.
4. Each team must have high school administrative or athletic department approval.
5. High schools may combine as per WIAA rules. All combined teams must be listed on the team application form. All skaters from the combined schools must be allowed to skate on the team. Combined teams not adhering to these guidelines will be disqualified. The competition committee reserves the right to limit the number of schools and/or skaters that may combine to form a team.
6. The competition committee will grant final approval of a team's membership.
7. All skaters who enter must be in at least 9th grade and be enrolled as a student in the high school as per rules.
8. Home-schooled skaters may not participate on a high school team unless they attend that school and receive a transcript for a minimum of four courses per semester.
9. All skaters must be registered with the US Figure Skating or ISI in order to qualify for competition entry and provide their membership number on attached forms.
10. Each team member must be a member in good standing with the US Figure Skating or ISI and their local member club.
11. A skater will not be allowed to participate unless they have a signed Skater Entry Form on file with the Registrar at least one week prior to the competition.
12. A skater may not accept prize money in any amount or merchandise having a value greater than \$25 for any skating competition.
13. The committee reserves the right to limit the number of entries, eliminate events due to insufficient entries, and combine or divide groups as necessary.

14. No skaters may be added after deadline, except with special permission of the registrar.
15. No Event will be canceled unless there is a state of Emergency declared in the area where the rink is located, even if school districts of participating teams have closed or cancelled events. Points will be awarded based on teams participating.
16. Team Banners are encouraged.
17. No food is allowed in the locker rooms. Some Ice Arenas have rules regarding outside food.
18. Un-sportsman like conduct & foul language will not be tolerated at any competition and is grounds for disqualification.

### **Team Event Rules**

1. If there are not at least two Level C teams, skaters will have the option to move up to Level B.
2. Skaters must compete at their test level or higher based on their US Figure Skating or ISI freestyle and moves-in-the-field test levels as of **November 1, 2011** (ISI level equivalency on page one).
3. Skaters may move between levels at any given event as long as they qualify for that level. Skaters may only compete in one level for Jumps/Spins and one level for Moves at each event. Males and females will skate on the same team.
4. Level A, B & C Teams must have a minimum of two skaters on their roster. No skater may perform more than 50% of the total number of elements.
5. Teams will be required to submit a Team Event Roster at check-in at least 30 minutes prior to the start of each team competition. All skaters on the team roster must be listed. If a skater is not participating due to absence, injury, or discipline, please indicate the reason in the notes column. Once the roster has been turned in, substitutions only under extenuating circumstances with Referee approval.
6. Only one skater per team may warm up each element.
7. Each team will be allowed one retry per team per level (A, B, C) at Team Competitions. The second attempt has to be the exact same element as the first attempt by the same skater. The second attempt will count regardless of whether or not it was better than the first attempt. The skater will signal for a retry immediately by raising their hand. The Referee will raise their hand in return in acknowledgement of the request for a retry.
8. If a team does not have a skater capable of or eligible to perform an element, the team will receive no credit for that element.
9. If a team cannot participate at one of the series competitions, that team will receive no points for that competition.
